

Follow the steps below to make your own traditional cup 'n' ball toy to play with!

You will need...

Paper
Colouring pens
Scissors
String (approx. 30-40cm)
Tinfoil
Sticky tape
Plate or similar

Step One

Use a plate to draw a curved edge on a corner of the paper and cut along the line so it looks like a diamond shape.

Step Two

Use colouring pens to decorate the cone shape.

Step Three

Use sticky tape to stick one end of the string to the middle of the tinfoil.

Step Four

Scrunch up the tinfoil around the string to make a ball. Stick the other end of the string to the back of the paper.

Step Five

Roll the paper to make a cone and use sticky tape to stick the sides together.

Now try to flick the ball into the cup!

Have fun!
