Make your own River Tees poem at home

Here is a list of words and phrases that the children of Thor Class collected to use in their creative writing. You can find some of these in the book and the newspaper and inside the plastic bottles. We invite you to play with these words and create your own poems. You can also add your own ideas. Enjoy!

The River Tees is...

wild, wet, powerful, peaceful, calm, happy, dark blue, heartful

rough, rocky, rushing, running, roar-some, never stop-some

terrific, tremendous, terrible, tired, nervous, angry

tidy, precious, soothing, soft, popular, loved

swelling and swirling, splashing, slow, flowing,

super, strong, sparkly, smooth, scary, awesome,

dirty, upset, repellant, reluctant, re-establishing, a rendez-vous,

long and loud, big and wide, interesting and fancy, mad and fierce,

trickling, cascading, crashing, meandering, mesmerising,

cold, clear, clean, creature-full,

full of fish, seals, pink dolphins,

splash, splish, slops, shploosh
